Letter from the President

Dear Student,

We are excited that you have chosen to attend Kansas Christian College! For 85 years, KCC has been developing servant leaders to change the world around them for Christ. Whether you are preparing to enter the marketplace or full-time ministry, KCC is a place that can help you achieve the calling that God has placed on your life. You may be a new follower of Jesus or one who has been serving Him since you were a child, or you might be still on a spiritual journey where you are seeking the truth about Jesus. Regardless, at KCC we are committed to providing an environment that points you to Christ and helps you understand what it means to be a fully-devoted follower of Him.

Our mission is to develop servant leaders who know God, who have a passion for holiness of heart, and who are inspired and prepared for a lifetime of learning and kingdom service. We live in a self-consumed, “me-first” society. Most people live to serve themselves and their interests. Jesus taught us another way. He taught us the point of humbling ourselves and serving others around us. He was the greatest servant, humbling Himself even to the point of death on a cross (Phil. 2:8). At KCC we desire to model what it means to be a servant while helping our students understand the importance of serving others, following the teachings of Jesus.

There is a leadership gap in our world. Now, more than ever, we need men and women to stand in that gap and be Spirit-filled leaders in every walk of life. We have been called to influence our culture and be a “light in the darkness.” We hope that your time at KCC will prepare you to be a leader among your peers who will stand for the Truth of God’s word.

God revealed Himself to us through His Word, the Bible, and ultimately through His Son, Jesus Christ. The Bible is a “lamp unto our feet and a light unto our path” (Ps. 119:105). It provides truth for our lives and helps us understand our place in God’s story of and for mankind. We hope you will come to understand the importance of God’s Word as the authoritative guide for your life.

Learning should be a life-long endeavor. It doesn’t end when your time at KCC ends. Whether you are here for two years, completing an associate degree, or four years completing a bachelor’s degree, we believe your time here will be engaging and give you the tools for further study beyond KCC, whether that be formal or informal. We hope that you develop a love for learning while you are at KCC.

Again, we welcome you to KCC, and we are so thankful that God brought our paths together! God wants you to be a world-changer! Make the most of your time here so that God can use you in a mighty way!

Chad Pollard

General Information

HISTORY OF KCC

Kansas Christian College had its beginning in the Church of God (Holiness) at 29th and Askew in Kansas City, Missouri. There had been a growing concern that the young men and women of the Churches of God (Holiness), whom God had called to ministry, should have a proper place to prepare. The church building and some rented facilities nearby provided the campus from 1938 to 1941 for what was initially named the Kansas City Bible College and later, until 2015, was known as Kansas City College and Bible School.

In the summer of 1941, the school, realizing that it needed to expand, moved to its present location at 74th and Metcalf in Overland Park, a residential community in the southern part of the greater Kansas City area. The campus of about twenty acres provided a spacious setting for the school. Since that time, the school has allocated several tracts of land for other purposes; for example, one for the College Church and the other for the Herald and Banner Press, leaving about eleven acres in our present campus.

The original campus had six buildings, including a fifty-six-room dormitory, an administration building, a kitchen/dining room, and three family dwellings. In 1947 a chapel and classroom building was erected. In 1957 a classroom building was built to house the high school.

The college launched a major building program in 1965 with the erection of a 46-room dormitory with kitchen and dining room facilities on the lower level, a two-story classroom building with almost 20,000 square feet of floor space, and a multipurpose auditorium used for camp meetings and other general assemblies. This expansion also provided physical education facilities and office space. With the completion of these buildings came the razing of the old administration building and the kitchen and dining hall.

One cannot view the present campus and facilities of Kansas Christian College without knowing that through the dedicated labors and consecrated money of many, God has wrought a miracle. Kansas Christian College remains devoted to the training of men and women for holy life and service, making an impact on our world today.

ACCREDITATION

Kansas Christian College, a liberal arts college of the Church of God (Holiness), is accredited by the Commission on Accreditation of the Association for Biblical Higher Education (5850 T.G. Lee Blvd., Ste. 130, Orlando, FL 32822; (407) 207-0808; <https://www.abhe.org/>). The college is authorized to offer associate and baccalaureate degree programs in business, business leadership, elementary education, general studies, leadership and ministry, performance music, religion, and worship ministry, as well as an artist diploma in performance music.

The college is a member of the National Christian College Athletic Association (NCCAA) and the Association of Christian College Athletics (ACCA).

KCC is a member of the Kansas Independent College Association (KICA).

AFFILIATION

Although KCC has an association with the Church of God (Holiness), it welcomes and actively recruits students of various denominations and backgrounds.

MISSION STATEMENT

Kansas Christian College exists to develop servant leaders who know God, who have a passion for holiness of heart, and who are inspired and prepared for a lifetime of learning and Kingdom service.

VISION STATEMENT

The vision of KCC is to see thousands of students change the world for Christ.

INSTITUTIONAL GOALS

That Kansas Christian College graduates

- Can articulate a biblical worldview
- Can clearly articulate the meaning and practical expressions of holiness of heart
- Are equipped with practical tools for ministry
- Are equipped for further study
- Possess a deepened passion for disciplines of spiritual development

CORE VALUES

KCC's core values are

- Christ-likeness
- Service
- Lifetime Learning
- Leadership
- Authority of Scripture

STATEMENT OF FAITH

Section 1. GOD - We believe there is one God, who is infinite, sovereign, eternal, and the creator of everything. He is holy in His attributes and His nature. He is triune in His essential being and is biblically revealed as Father, Son, and Holy Spirit. (Ps. 90:2; Matt. 3:16, 17)

Section 2. JESUS CHRIST - We believe Jesus Christ is very God and very man. He was conceived by the Holy Spirit and born of the Virgin Mary. He died upon the cross, the Just for the unjust as a substitutionary sacrifice, and all who believe in Him are justified on the ground of His shed blood. (John 1:1, 14, 18; Phil. 2:5-8)

Section 3. HOLY SPIRIT - We believe the Holy Spirit is a divine person sent to indwell, guide, teach, and empower the believer, and to convince the world of sin, of righteousness, and judgment. (John 16:7-15; Acts 1:8)

Section 4. THE BIBLE - We believe the Old and New Testaments are the inerrant, infallible, inspired Word of God as originally given. They were written by men who were guided by the Spirit, and as such they stand as the only authority on God's plan for the salvation of mankind. The Bible is the only rule of faith and practice for Christians. (2 Tim. 3:16-17)

Section 5. MAN - We believe man was created in the image and likeness of God; he fell through disobedience, thereby incurring both physical and spiritual death. All men are born with a sinful nature, are separated from God, and can be saved only through the atoning work of the Lord Jesus Christ. The portion of the impenitent and unbelieving is existence forever in conscious torment; that of the believer is everlasting joy and bliss. (Gen. 1:26-27; Rom. 3:10-18, 23; Rom. 6:23 Ps. 53:1; Rom. 8:7)

Section 6. SALVATION - We believe salvation has been provided through Jesus Christ for all men. Those who repent and believe in Him are born again of the Holy Spirit, receive the gift of eternal life, and become the children of God. (Eph. 2:8-9; Rom. 5:1)

Section 7. ENTIRE SANCTIFICATION – We believe it is the will of God that each believer should be entirely sanctified whereby at a time after their new birth in Jesus Christ they are cleansed of the nature of sin and filled with the Holy Spirit. By this experience of God’s grace, they are then empowered for continued growth, holy living, fruitful witness, and effective service in their relationship with Christ. This is both a crisis and a progressive experience. (1 Thess. 5:23-24; Rom. 6:6; Rom. 12:1, 2)

Section 8. DIVINE HEALING - We believe in divine healing. Prayer for the sick and anointing with oil are taught in the Scriptures and are privileges for the Church in this present age. (James 5:14, 15)

Section 9. THE CHURCH - We believe the Church consists of all those who believe in the Lord Jesus Christ. Through the merits of His blood, they are born into the family of God and remain in it so long as they are walking in the light. The Lord Jesus Christ is the Head of the Church, which is His body. Our chief purpose is to worship and serve Him. Christ has commissioned the Church to proclaim the Gospel to all the world. In addition, the local church is a body of believers who join together for edification through the inspired Word, for prayer and fellowship, and the observance of the ordinances of baptism and the Lord’s Supper. (Eph. 1:22-23; 5:23-30)

Section 10. RESURRECTION - We believe that those who die in Christ are immediately present with Him, while those who die in sin suffer the torments of hell awaiting the final judgment. We believe there shall be a bodily resurrection of the just and of the unjust: for the former a resurrection unto life and for the latter a resurrection unto final judgment. (Luke 16:19-26; 1 Thess. 4:15-17; Rev 20:12-15)

Section 11. ESCHATOLOGY - We believe the second coming of the Lord Jesus Christ is a vital doctrine of the Bible and is the vibrant hope of the church. This coming will be a visible, personal return for the Church. Since there is no method of predicting when He will return, the incentive for active holy living is magnified. (Acts 1:11; 1 Thess. 4:15- 17)

COLLEGE FACILITIES

There are six significant buildings on the Kansas Christian College campus, as well as several staff residences. The Cowen Memorial Auditorium is both the campus gymnasium and the location of several administrative offices. Palmer Education Center is the home of Overland Christian Schools. Shaver Hall is an 86-person-capacity dormitory with several staff apartments, a cafeteria, student lounges, and laundry facilities. KCC holds classes in the college classroom building, which also houses the student center, music practice rooms, and faculty offices. The administration building houses several administrative offices, two classrooms, and the Watkins Memorial Library. The student services building houses admissions, financial aid, and student services.

LIBRARY AND TECHNOLOGY

The Watkins Memorial Library, located on the lower floor of the Administration Building, serves both the high school and college departments of KCC. The purpose of the academic library is to offer necessary research materials for students and faculty to support the curriculum of KCC and to provide a variety of options for recreational reading. The campus has Wi-Fi networks for the library, classrooms, and dorms.

Library Resources

The library offers mostly religious books and magazine titles; however, there are materials available on a variety of topics, including history, science, math, literature, music, and psychology. A section of young

adult fiction books is easily accessible to patrons. Also available: ProQuest, Infotrac, NetLibrary eBooks, Business and Management Practices, Routledge Religion eCollection. DVDs, videos, and CDs comprise non-print resources. Patrons may use the following non-circulating CD libraries within the library: Jeremiah LifeWorks, Thomas Nelson Bible Study, Quick Verse, Expositor's Bible Commentary, Lucado LifeWorks, Logos Scholars, McArthur LifeWorks, PC Bible Study, and Spanish Learning Suite. Watkins Memorial Library makes 400+ free e-books available through a Kindle login on any device. For more information, contact the librarian. The library has Internet availability on patron computers, and there is a printer/copier available for use. School-related printing is included in student fees, while the library charges patrons \$.10 per page for personal printing. Students and teachers are encouraged to bring laptops and tablets to the library and to use the Wi-Fi capabilities.

Research Tools

Library staff is available to assist patrons with research methods. The library OPAC catalog is available online. Library users may check their library accounts to see when their items are due or to search for needed resources. Library users can gain access to the catalog through the following link:

<https://kcc.populiweb.com/library>.

KCC students, teachers, and outside patrons can acquire the use of several databases for research purposes through the Kansas State Library. Take note that it is essential to select "Online Resources" on the home page, and then choose from the numerous databases available. Go to the following website to begin researching: <http://www.kslib.info/>. No login is required.

KCC has also provided a list of curated open resources in various databases that cover our degree areas. Those sources may be found on the KCC Library website at

<https://www.kansaschristian.edu/academics-overview/library-resources/>.

To retrieve information through religious databases and articles, patrons may set up a complimentary account with LOGOS for research purposes at <https://www.logos.com/signin>. After completing this, patrons may install the LOGOS application on a personal device at <https://www.logos.com/apps>.

Library Agreements

The KCC Watkins Memorial Library has established reciprocal borrowing with the Mabee Library of MidAmerica Nazarene University (MNU). KCC students may use the reference department and computers at the Mabee Library, and they have borrowing privileges there. KCC extends this same courtesy to the students of MNU. KCC students may also use the reference department of the Nazarene Theological Seminary library.

KCC STUDENT DISABILITY ACCOMMODATION

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act prohibit discrimination against individuals with disabilities. The purpose of these laws is to remove barriers that prevent qualified individuals with disabilities from enjoying the same opportunities available to persons without limitations. A student with a disability who wishes to request a reasonable accommodation must contact the academic affairs office for academic concerns or the student services office for non-academic matters. Further, for a student to be provided an accommodation in their academic pursuits, they must have submitted a diagnosis letter from a licensed medical professional to KCC. KCC's complete policy regarding student disability accommodations is available at <https://kansaschristian.edu/kcc-ada-policy/>.

EDUCATIONAL RIGHTS AND PRIVACY

The Family Educational Rights and Privacy Act (FERPA) of 1974 (also known as the Buckley Amendment) is a federal privacy law affording students certain rights concerning their education records. Kansas Christian College complies fully with this law. The college registrar serves as the institutional FERPA compliance officer. The full notification of student privacy rights under FERPA is available at <http://kansaschristian.edu/ferpa-notifications/>.

CLERY DISCLOSURE

Kansas Christian College complies with the federal statute known as The Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act. Students, prospective students, employees, and potential employees may request a copy of the most recent Annual Campus Security and Fire Safety Report from the student services office. The Campus Security Report is also available at <https://kansaschristian.edu/campus-security-fire-safety/>.

Admissions

ADMISSION REQUIREMENTS

Kansas Christian College admits students of any race, color, gender, or national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on age, race, color, gender, disability, or national or ethnic origin in the administration of its educational policies, admissions policies, scholarship programs, and athletic and other school-administered programs. Although KCC has an association with the Church of God (Holiness), it is non-denominational. It accepts students of various religious persuasions as long as they are willing to abide by the principles and policies of the school.

Applicants must be high school graduates with a minimum of 18 units. However, students who have not had the opportunity to complete their high school training may be admitted by successfully passing the General Educational Development (GED) test. Students presenting a GED must be at least 18 years of age. The admissions department will consider other special situations.

KCC seeks to foster a safe learning environment. Individuals convicted of a felony must disclose this information before registering.

Based on the nature of the offense and other factors, the college reserves the right to deny admission, revoke admission, limit enrollment, or restrict the activities of a student. KCC will issue campus notifications when necessary. Failure to disclose a felony conviction may result in the student being immediately withdrawn from current classes and may result in disciplinary action, including dismissal or expulsion, as outlined in the KCC Student Handbook.

PROVISIONAL ACCEPTANCE POLICY

A student with an incoming GPA below 2.0 may, at the discretion of the Applications Review Committee, be admitted to KCC provisionally.

Students admitted provisionally for academics will be required to register for a one-hour tutoring class the first semester and are not permitted to take more than twelve credit hours in the first semester. The students may not register for a 200-, 300- or 400-level class without written permission from the CAO.

Failure to meet with the academic advisor as directed in the procedures manual or to attend the tutoring class as scheduled shall result in suspension from classes until such meetings have taken place.

PLACEMENT EXAMS & INVENTORIES

All incoming undergraduate students are required to take the Bible knowledge exam. KCC will place students in Bible courses based on their scores on the exam.

Additionally, KCC will be using various inventories as part of its Student Success efforts to help better support students.

These exams and inventories do not affect GPA in any way and are delivered through the student information system (Populi).

“COLLEGE NOW” PROGRAM

KCC has designed the “College Now” program to provide high school (home, private, and public school) sophomores, juniors, and seniors with the opportunity to take KCC classes. The program offers these students the option of taking courses for college credit.

- Students must submit a College Now program application form. The Application can be found on the KCC website.
- KCC will charge students 50% of the standard tuition as well as applicable fees. Parents must make arrangements with the business office before students enroll in courses.
- Students will be required to purchase their textbooks or course materials separately from tuition.
- Before taking Bible survey courses, students must complete the Bible Entrance Exam for placement in the appropriate courses.
- If students wish for the courses to count for high school credit as well as college credit, students should verify with their high school that it will accept KCC courses for high school credit.
- Any tuition or fees charged by the high school will be in addition to the college tuition and fees.

ADMISSION PROCESS

1. Fill out the application form available online at www.kansaschristian.edu.
2. On the application form, provide contact information for three individuals who can provide character references for you (students participating in on campus activities only). These should be individuals such as former teachers, pastors, coaches, job supervisors, or others who have held a position of authority over you. References from persons related to you will not be accepted.
3. Submit *official* high school transcripts to KCC. KCC requires official high school transcripts for admittance. Official transcripts must be sent from the school directly to Kansas Christian College. Transcripts received from the student or other third party cannot be accepted.
4. Transfer students, submit *official* transcripts from all colleges previously attended. Official transcripts must be sent from the school directly to Kansas Christian College. Transcripts received from the student or other third party cannot be accepted.
5. Complete the FAFSA and request submission of your ISIR to KCC. Our institutional number is 021689.
6. When notified that KCC has accepted your application, submit the \$50 enrollment fee.

APPLICATION FOR READMISSION

A student who discontinues attendance at KCC for one or more semesters must apply for readmission. If the reason for discontinuation were poor conduct, class attendance, or progress, KCC would favorably consider the application if there is evidence to show that the student has removed the cause of the deficiency. The admissions committee may decide to outline specific requirements for admission for previously dismissed students.

ADVANCED PLACEMENT

High school graduates may receive credit for Advanced Placement (AP) examinations of The College Board (<https://ap.collegeboard.org>). A score of three (3) or higher on exams is required to be accepted for credit on an AP exam. AP scores on high school transcripts will not be accepted. It is the

responsibility of the student to request that official score reports be mailed directly to the Office of the Registrar at Kansas Christian College from The College Board.

INTERNATIONAL STUDENTS

Kansas Christian College welcomes international students who seek to be trained and equipped for active Christian service. The process of securing a student visa can be complicated and time-consuming. Prospective students should plan to have their applications submitted to KCC several months in advance. We recommend that international students begin classes at the beginning of the KCC academic year in August.

Procedure for Admission as an International Student

1. Fill out the application form available online at www.kansaschristian.edu.
2. On the application form, provide contact information for three individuals who can provide character references for you. These should be individuals such as former teachers, pastors, coaches, job supervisors, or others who have held a position of authority over you. References from persons related to you will not be accepted.
3. Submit a non-refundable application fee of \$200.00.
4. Submit official high school transcripts to KCC's approved credential evaluation service to verify equivalence with a US high school diploma. If you wish to transfer credits from a foreign college, the provider must also evaluate those transcripts. You are responsible for the evaluation fees.
5. If your native language is not English, you must present proof of English proficiency.
6. KCC admissions will send you an Affidavit of Support (I-134) form and a Certificate of Eligibility for Nonimmigrant Student Status (I-20) information form. You must complete the I-20 information form, and you or a sponsor must complete the Affidavit of Support, which validates sufficient financial resources for your expenses. (The approximate cost for each year of college, which includes room, meals, tuition, and fees, is \$20,000 to \$21,000. This cost does not include textbooks, private music lesson fees, and athletic fees.) This amount is due upon enrollment.
7. When the KCC admissions department approves you for study, an I-20 will be issued to you. Apply for a student visa from the nearest United States embassy. At that time, the embassy will advise you concerning the requirements and regulations for study in the United States.

English Proficiency

International students whose native language is not English must submit proof of English language proficiency. Test score reports must be official, come directly from the testing service, and be submitted at least thirty days before classes begin for the semester. The scores must be less than two years old.

IELTS Exam Band Scoring	Duolingo English Test Score Conversion	TOEFL Overall Score Conversion
9	160 to 155	118 to 120
8.5	150 to 145	115 to 117
8	140 to 135	110 to 114
7.5	130 to 125	102 to 109
7	120 to 115	94 to 101
6.5	110 to 105	79 to 93
6	100 to 95	60 to 78
5.5	90 to 85	46 to 59
5	80 to 75	35 to 45
4.5	70 to 65	32 to 34
0 to 4.5	60 to 55	0 to 31

The language proficiency requirement can be satisfied in the following ways:

1. TOEFL: A minimum TOEFL score of 60 on the Internet-based TOEFL or 530 on the paper exam, OR
2. IELTS: A minimum IELTS score of 6.0 on the academic test, OR
3. DUOLINGO Score of 95, OR
4. SAT: a score of 500 or higher on the Evidence-Based Reading and Writing section, OR
5. ACT: Score of 18 or higher on the English section, OR
6. A transcript from an accredited US college or university documenting the completion of the equivalent of KCC's English Composition I with a grade of C or better, OR
7. A transcript from an accredited US college or university documenting the completion of a minimum of twelve transferable credit hours of non-ESL courses with a cumulative GPA of 2.0 or higher, OR
8. A transcript from a US high school documenting graduation and attendance for at least three years.

International students may be conditionally admitted with the following test scores:

1. TOEFL: A minimum TOEFL score below 60 on the Internet-based TOEFL or 500 on the paper exam
2. IELTS: A minimum IELTS score of 5.5 on the academic test
3. DUOLINGO Score 45-94

Students who fail to meet these thresholds may address an appeal to the vice president of admissions for presentation to the Administrative Committee, requesting conditional admittance.

Students will remain in conditional status until they attain the minimum language proficiency requirement.

*Such students will be **required** to enroll in **only** ESL Courses for one semester. After one semester, if they score 95 or more on Duolingo, they are eligible and required to take English Comp I. Other recommended first semester full immersion courses are: Introduction to Bible and Speech.*

If they score lower than Duolingo 95, they **may** be permitted to take English Comp I, Introduction to Bible and/ or Speech conjunction with ESL courses.

KCC will still classify conditionally-admitted students as undergraduate students in their requested major preferences. This will, of necessity, prolong their time to completion of the program.

Student Life

STUDENT LIFE ACTIVITIES

Kansas Christian College believes that student life activities are an essential part of a student's education. Some of these activities provide the student with an opportunity to channel skills and learning into practical experience. Other events are for enjoyment and relaxation and allow students to fellowship with classmates. KCC intends that all of these activities be Christ-honoring and have a part in developing the spiritual lives of our students. The following are some of the student life opportunities which KCC provides outside of the classroom.

SPIRITUAL LIFE

Because we are training men and women to serve in the church at home and abroad, we strongly urge our students to attend and participate in a local congregation regularly. There are several local Churches of God (Holiness), all of which provide regular and special services. All students are encouraged to attend one of these. However, we do recognize that students come to KCC from various denominations and may wish to continue their affiliations with them.

Sunday is a special day on which Christians celebrate the resurrection of Jesus Christ. Therefore, students should become a regular, active part of a local congregation, and refrain from unnecessary work, buying, selling, and other activities that would detract from making this a holy and worshipful day.

Chapel and small groups are a vital part of community life at Kansas Christian College and meet each week. KCC designs chapel services to provide an opportunity to contribute to the integration of faith, learning, and living. On Tuesdays, students will meet with their small groups during the designated time period. On Wednesdays, students will attend chapel.

See the *Student Handbook* for Chapel Attendance policy.

KCC KICKOFF

All students are required to participate in KCC Kickoff before the fall semester begins. Various sessions will seek to acquaint the student with aspects of college life, as well as with the philosophy, policies, and procedures of KCC. New students who have not yet taken placement tests should take them on this day. KCC Kickoff ends with a get-acquainted evening meal and activities.

CAMPUS ORGANIZATIONS

Students are encouraged to participate in extracurricular and co-curricular activities. Several organizations on campus provide opportunities for such involvement.

The **Student Council** represents the interests of the student body and, under the direction of a sponsor, gives leadership and assistance in the planning of student activities. Each school year, council officers and a representative from each class are elected to this organization by the student body.

Student body class organizations—freshman, sophomore, junior, and senior —occasionally meet to plan class events and fund-raising activities. Class officers are elected annually at the beginning of the school year.

Students often form various other clubs for students who have particular interests, such as photography, drama, etc.

Students are required to uphold satisfactory academic progress in order to participate in any extracurricular activities. Should a faculty member or administrator have concerns about a student's academic progress in courses, they may recommend to the Academic Dean that students step down from their activities until performance improves. In such cases, the student will meet with a Student Success Coordinator, Advisor, Academic Dean, or Chief Academic Officer to discuss their progress and work on a success plan.

HOUSING AND FOOD SERVICES

One vital source of personal development is community living and group involvement. Many students live in the dormitory and take their meals in the cafeteria. However, if students feel that they need to make other arrangements, they may submit a written petition to the Student Services Office requesting permission to live off-campus. The Student Services Office may grant permission for various reasons, such as when an employer requires the student to live at the place of employment, the student has relatives in the local area who will provide housing, or the student has health problems which necessitate off-campus housing.

The director of student services will take into consideration the following factors when making this decision:

- The spiritual condition of the student
- Personal/social status of the student (chapel attendance, discipline record, etc.)
- Financial responsibility of the student
- Age of the student

If the student is younger than twenty-one, the parents/guardians must submit a notarized letter before the Student Services Office will grant permission. The submission of such a document does not ensure that KCC will grant permission. Students under twenty-one must reapply at the beginning of each semester for off-campus housing. KCC may allow a ten-day grace period to get the parental letter of permission.

If students are not satisfied with the decision of the Student Services Office, they may make a written appeal to the Student Development Committee.

Students should check with the residence educators for room assignments. Residence educators honor requests for rooms and roommates when possible. Unless requested otherwise, and as space permits, they will automatically assign students semi-private rooms.

While the college furnishes beds, dressers, desks and chairs, closets, and curtains or blinds, all dormitory students are required to provide their pillows, bed linens, blankets, towels, etc. KCC expects students to maintain their rooms in satisfactory condition.

The college is not responsible for loss or damage to personal property due to fire, storms, floods, or thefts.

The college reserves the right to inspect all residential areas and take all necessary steps to ensure that students are appropriately maintaining the facilities.

HEALTH SERVICES

AdventHealth operates NurseLine (24/7) for medical advice (913-676-7777). These nurses will make necessary health-related referrals.

VEHICLES

The operation of vehicles on campus by KCC students is not a right, but a privilege, granted by the college. The opportunity may be rescinded at any time if the student abuses it or becomes a problem to campus personnel or the local police.

Students must register all vehicles with the business office. Students who bring their cars to college must produce proof of liability insurance. The college also strongly recommends that students carry collision insurance.

Behavior Guidelines

PHILOSOPHY OF DISCIPLINE — A BIBLICAL APPROACH

At KCC, we attempt to understand and interpret all that we do from a Christian perspective. The conviction that God has created man and the world is fundamental to our Christian philosophy of life.

Individuals, organizations, and communities accordingly develop rules as a guide toward their goals. Standards also help to put into practice our fundamental moral and social principles. The necessity for rules (evident in everyday life) is rooted in human nature and society as creations of God. We adopt specific practices based on our theological position and basic moral principles as well as social and cultural influences.

Beyond the general revelation about man and society, the genuine Christian regards the Bible as the specially revealed Word of God and as his final rule of faith and practice.

The Bible identifies some things as right and some as wrong (Ex. 20:1-17; Ps. 19; Matt. 5:17-20; Rom. 7:7 - 8:4; 2 Tim. 3:16, 17). Some of our rules have to do with unchanging moral laws.

The Bible also informs us that it is wrong to disobey the government, except in the most unusual circumstances when civil obedience would conflict with obedience to God. Civil law is therefore binding on the Christian today, as it was in biblical times (Rom. 13:7; 1 Peter 2:11-17). Some of our rules have to do with civil law.

The Bible instructs that it is wrong to do what is inexpedient or imprudent because of the damaging consequences, even though the action is not improper in itself. Christian liberty must act wisely in these matters, going the second mile in love (Acts 15:1-31; Rom. 14; 1 Cor. 8-10). Some of KCC's rules reflect prudent judgments based on consideration of consequences to the individual or the college rather than the right or wrong of a practice. We must keep in mind that prudence involves concern for our influence on the college itself, the conservative holiness constituency we serve, the educational community, and the larger society of which we are a segment.

We are to view rules, then, as neither degrading legalistic impositions nor a means to self-justification. Instead, these standards represent our attempt to do right, to act lovingly, to consider how our actions affect ourselves and other persons, to be orderly in the pursuit of our goals, and to glorify God by our every act. For the Christian, God's grace through the indwelling Holy Spirit enlivens and motivates this kind of life (1 Cor. 6:15-20; Rom. 8:2-5).

STANDARDS OF CONDUCT

When students enroll, they become citizens of the school community and agree to live within the stated standards of conduct of the school. While some may not have personal convictions regarding these standards, the agreement to observe them obligates the student to assume responsibility for honorable adherence to them while under the jurisdiction of the school. Students enrolling at the college should exercise the courteous consideration and the self-discipline necessary to achieve the aims and objectives of the school.

In keeping with the philosophy of the school and the church community it serves, we expect the following standards of all students:

1. Christian principles of morality should govern every personal and social relationship.

2. The use of alcoholic beverages, tobacco, illegal drugs, profane language, and obscene literature, gambling, and social dancing is not permitted.
3. The administration reserves the right to prohibit attendance at any social gathering or entertainment establishment that is deemed detrimental to the development of Christian character.
4. KCC does not tolerate the abuse of the property of the school or that of other people.
5. The disorderly assembly or disruptive activity of students is prohibited.
6. Students are to walk in Christian unity with each other, staff, faculty, and administration. Students should not make threatening gestures, statements, or connotations towards another party. Instead, students should work to follow a Matthew 18 model of conflict resolution. For further information, see the student grievance policy.

No code of conduct, no matter how lengthy, could list all the situations in which students must make choices and decisions. What we have attempted here is to give students a generalized overview of what we will expect of them. Students may find more details in the ***Student Handbook*** and the dormitory guidelines.

CORRECTION, SUSPENSION, OR EXPULSION

Any student who violates the code of conduct will be subject to corresponding corrections based on the situation including course failure, loss of privileges, and probation. Students who persists in violating the standards and regulations of campus conduct, as formulated by the governing body, or who persistently fail to manifest the accepted qualities of ladies and gentlemen, will be subject to suspension or expulsion from this school. The ***Student Handbook*** details the procedural steps involved in suspension/expulsion.

GRIEVANCE AND DUE PROCESS

KCC affords the student a grievance policy, which outlines the steps to be taken to address a concern the student may have. The college has also set forth how it will carry out due process. See the ***Student Handbook*** for the particulars on both of these concerns. Copies are available from the director of student services.

EDUCATIONAL RIGHTS

The college adheres to the Family Education Rights and Privacy Act of 1974 (Buckley Amendment), which guarantees students the right to know what information the college maintains about themselves and the right to ensure the accuracy of that information. Students also have the right to know who has access to files of information and for what purpose, and the right to limit the amount of information given. (See ***Student Handbook*** for more details.) In most cases, students may instruct the college concerning the distribution of their data outside the college.

ROOM AND BOARD

Room and board for dorm students are as follows:

- Room Charge: \$2,650 per semester - double occupancy. Additional charges may apply for any single occupancy room available. Students must also pay a \$100 refundable room deposit.
- Meal Plan: \$2,000 per semester for meal plan.

TEXTBOOKS AND COURSE MATERIALS

Kansas Christian College contracts with an online bookstore to provide textbooks, digital content, and access cards. The tuition fee covers the required course materials that are available through the online bookstore each term.

Any return of course materials, textbook buy-back, rental textbook returns, etc., should be coordinated between the student and online bookstore; KCC does not issue textbook refunds.

TIMELINESS OF PAYMENT

All payments to the school are to be kept current. If a student does not keep payments current, KCC may take the following steps until the Vice President Finance approves satisfactory arrangements:

1. The student will not be permitted to enroll for the next semester.
2. KCC may restrict access to student activity, athletic, and academic services,
3. KCC may withdraw students with delinquent accounts.
4. KCC may turn the account over to a collection agency, which will affect the student's credit score.

KCC will neither process requests for transcripts (either official or unofficial) nor issue diplomas to students with outstanding financial obligations to KCC.

PAYMENT PLANS

The following options are available for payment of accounts:

- Prepayment in full at the beginning of the semester. (Some international students must pay for the first full year of expected charges prior to enrollment per agency contract.)
- Enrollment in a payment plan. Details are available in the student financial services office. This option is not available for sponsors of international students who have foreign bank accounts.

REFUNDS FOR WITHDRAWN COURSES

Refunds of Tuition for Overland Park-based Students (including private lessons) and Room and Board Charges

With the transition to the new FlexEd model, Overland Park-based students are now participating in five-week classes divided between three, five-week subterms each semester. For each subterm, the following refund schedule applies:

- 75% tuition refund for withdrawing by the end of week 1
- 50% tuition refund for withdrawing by the end of week 2
- No tuition refunds after the end of week 2

The business office calculates the amount to be refunded according to the date that the student submits the withdrawal form to the registrar.

KCC will refund the dorm deposit within 30 days of the end of the semester if the student has provided the appropriate written notice according to the residence hall guidelines and there are no fines,

additional fees, furniture or room damages. If the student owes a balance, the deposit will be applied to it by the business office.

Refunds for Veterans

Students receiving Veterans Affairs benefits who find it necessary to withdraw before the end of the term will receive a pro-rata refund for tuition.

FINANCIAL ASSISTANCE

The primary responsibility for financing education lies with students and their families. When the total resources they can provide do not meet their educational expenses, KCC will guide students and assist them with seeking other funds for their post-secondary education.

KCC has established the student financial services office to coordinate and package financial aid to students interested in any form of financial assistance. The financial services office works to help students acquire scholarship, grant, and loan funding to pay their school expenses.

Federal Financial Aid

KCC is approved by the US Department of Education to distribute Title IV Student Aid Funds for two programs - Pell Grants and Direct Student Loans. KCC administers all student aid following policies of the US Department of Education. Students must meet certain thresholds of performance, including Satisfactory Academic Progress.

Students seeking any form of financial assistance must fill out a Free Application for Federal Student Aid (FAFSA) application at <https://fafsa.ed.gov>. The KCC Federal ID Number is 021689.

Pell Grants

Pell Grants are need-based grants provided through the US Department of Education Title IV program for lower-income undergraduate students who complete the FAFSA form and qualify by financial need.

Direct Student Loans

KCC students may apply for Federal Direct Student Loans through the FAFSA form. Students are required to repay these loans. Repayment starts when the student ends enrollment in an approved program.

Federal Financial Aid Refunds

Qualified students can receive a refund from their student accounts providing that

- They continue to participate in registered courses actively, and
- KCC has received enough financial aid to exceed the semester charges.

An official U.S. high school transcript or its approved equivalent must be received, and the student must complete any verification (if applicable) before KCC disburses any financial aid.

For FlexEd students: Bearing in mind the criteria above, if the student is not a first-time borrower, KCC will disburse half of the anticipated refund amount after the add/drop date. If a student is a first-time borrower, KCC will not disburse loan funds until thirty days after the start date, per Department of Education guidelines. The second disbursement will be at the halfway point in the semester.

For online students: Federal financial aid refunds will be disbursed in two equal increments for each semester, one thirty days into the semester and one at the midpoint of the semester, providing the

student is enrolled and is actively meeting the academic participation requirements for the course (e.g. submitting assignments, taking exams, etc).

Return of Federal Financial Aid for Students Withdrawn from Courses

Students who have already received Title IV aid disbursements may lose some aid if they opt to withdraw, depending upon the percentage of the classes completed. If a student leaves the institution before completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds based on the federal Return of Title IV Funds formula.

Return of Title IV Funds Formula

Percentage of payment period or term completed = the number of days completed up to the withdrawal date divided by the total days in the payment period. (The calculation does not count any break of five days or more as part of the payment period.)

If a refund is due, the financial aid office will allocate returns in the following order:

- Unsubsidized Federal Stafford Loan
- Subsidized Federal Stafford Loan
- Federal Pell Grant
- State, private, and institutional aid
- The student

If a refund is due to the student, KCC will mail a check to the student to the current address on file.

Online students who withdraw before the end of the first week of the first class will receive a refund of 100%, if applicable. The financial aid office will calculate all withdrawals after the first week according to the Return of Title IV Funds formula.

Kansas State Scholarships and Grants

The state of Kansas offers multiple programs for funding college tuition and fees. Students are strongly encouraged to review what is available for which they might qualify. Please note that all student financial awards are subject to available appropriated funding. To apply for the Kansas State Scholarships, a student must complete a Free Application for Federal Student Aid (FAFSA). The information you provide on your FAFSA determines if you are eligible for Kansas Scholarships and Grants. For more information visit: https://www.kansasregents.org/scholarships_and_grants

Academic Scholarships

There are a number of scholarships offered to KCC students through internal, donor, and other external groups. To learn more about the available scholarships, please visit the KCC website at <https://kansaschristian.edu/available-scholarships/>.

Academic Information

CATALOG OF REFERENCE

Students will graduate under the requirements of the catalog in effect when they begin their programs or a newer catalog placed in effect while they are students. Students who withdraw from KCC and later re-enroll, after more than one semester of academic inactivity, will graduate under the catalog in effect at the time of their re-enrollment, or a newer catalog placed in effect while they are registered as students.

ETHOS AND REQUIRED COURSES

e·thos /'ēTHäs/ *noun*

the characteristic spirit of a culture, era, or community as manifested in its beliefs and aspirations. (Oxford Languages and Google)

At Kansas Christian College, there are several courses that contain essential information that KCC faculty hold as part of institutional distinctives. This information is what the faculty want every student that graduates from KCC to attain. These are courses that must be completed at KCC and cannot be transferred into the program. These ethos courses include:

- Principles of Christian Life
- Theology of Holiness

Further, for students new to KCC and/or college, there are two orientation courses available to assist them in their pursuits:

- College Success (for students with fewer than 45 hours)
- Research and Concept Development (for students with 45 hours or more)

STUDENT RESPONSIBILITIES

The administration and faculty of KCC attempt to outline clearly and advise consistently concerning requirements for graduation and the student's progress in meeting these requirements. Part of the student's personal development, however, is the recognition and acceptance of responsibilities in meeting all graduation requirements. The student is expected to take initiative to follow through in the completion of all requirements and details of the academic program.

CLASSIFICATION OF STUDENTS

Each student's academic classification is determined at the beginning of the fall semester and will remain at that level throughout that school year. A student is considered full-time when enrolled for twelve or more hours per semester.

The following classifications are used for both full-time and part-time students:

Freshman	0 - 29 hours
Sophomore	30 - 59 hours
Junior	60 - 89 hours
Senior	at least 90 hours

CREDIT HOUR DEFINITION

A credit hour is the basic unit of measure for college credit, representing the traditional academic value of learning activities. At KCC, a semester credit hour represents a minimum of 50 minutes of instruction per week over 15 weeks, supplemented by one to two hours of preparation for each hour of instruction for the average student; or the equivalent amount of time in instructor-designated learning activities. Time for final examinations is outside these specifications. KCC may base the assignment of credit hours on intended learning outcomes, verified through student achievement, that the institution determines are reasonably equivalent to a credit hour of student work.

COURSE NUMBERING SYSTEM

A course number consists of two parts. The first part includes letter sequences representing program and area. The second portion is numerical providing information about the course level. KCC uses a system where course numbers meet the following characteristics are used:

Letter Portions

The letter portions of courses contains at the very least a subject code (e.g. MAT for a Math course, MIN for a Ministry course, BIB for a Bible course).

Number Portions

KCC uses a four-digit numbering system where each digit represents course levels as follows:

- First Digit: Level (1 - Freshman Level, 2 - Sophomore Level, 3 - Junior Level, 4 - Senior Level, 5 - Master's Lower Level, 6 - Master's Higher Level/Specialist, 7 - Specialist/Doctoral Lower Level, 8 - Doctoral Higher Level)
- Second Digit: Credit Hour Value
- Third/Fourth: Sequence of courses in the program

Currently, the following numbers are in use.

0000-0099	Remedial
1000-1999	Freshman
2000-2999	Sophomore
3000-3999	Junior
4000-4999	Senior
5000-5999	Master's Lower Level
6000-6999	Master's Upper Level

STUDENT CLASS LOAD/OVERLOAD

Twelve to fifteen college hours for each semester constitutes a normal student load. To enroll for more than fifteen hours, a student must secure the approval of the academic dean or CAO. There is an extra charge for classes outside the 12 – 15 hours which are part of the block tuition. Should a student later show his inability to successfully carry his excess hours, this permission may be revoked.

A maximum class load of twelve hours is recommended for students who are employed twenty-five or more hours per week.

GRADING SYSTEM

The academic work of the student is graded under the following system:

A	Exceptional	90 - 100
B	Above Average	80 - 89
C	Average	70 - 79
D	Below Average	60 - 69
F	Failing	Below 60
W	Withdrawal	
I	Incomplete	
CR	Credit	
NC	No Credit	
AU	Successful Audit	
UA	Unsuccessful Audit	

A grade of "F" indicates failure and necessitates a satisfactory repetition of the course before credit can be allowed.

A grade of "W" is recorded when a student has withdrawn after the second week of classes.

A grade of "I" indicates incomplete work and is to be given only when extenuating circumstances prevent the student from completing the course work during the semester. It is the student's responsibility to arrange with the instructor for the completion of the course. Re-enrollment in the course would not normally be required for successful completion. Coursework needed to remove the "I" grade is expected to be completed not more than thirty days following the end of the course. All "I" grades will be changed to "F" on the student's transcript if the instructor has not initiated a grade change within thirty days following the end of the grading period for which the "I" was given.

A grade of "CR" is given if the student successfully completes a class for which no letter grade is given. If the student fails to complete such a class, a grade of "NC" is given.

A grade of "AU" is given if the student successfully audits a class (attends at least two-thirds of the sessions). If the student fails to successfully audit a class, a grade of "UA" is given.

GRADE CHANGES

A grade appeal involves a situation in which a student believes an instructor (a) has not followed fair grading practice or (b) has not followed published grading policy. A student who wishes to appeal a grade based on one or both of these reasons must contact the instructor within 28 calendar days of the issuance of the grade for a full explanation of the grade and the basis for the assigning of the grade. This should be a planned meeting. The instructor has 14 calendar days to respond to the student.

A student who remains dissatisfied with the instructor's decision or who does not receive a response from the instructor may file a written appeal with the Academic Dean. The appeal must be filed within 14 calendar days of the instructor's response to the student. The Academic Dean must provide a written decision to the student and instructor within 14 calendar days of receiving the appeal.

A student who remains dissatisfied with the decision may file a written appeal with the Chief Academic Officer (CAO). The appeal must be filed within 14 calendar days of receiving the Department chair's decision. The CAO may make a decision, or the CAO may refer the appeal to the academic committee, whose opinion would be a recommendation to the CAO. The CAO must provide a written decision to the student and instructor within 14 calendar days of receiving the appeal.

If at any point, a grade change is approved, the decision should be communicated to the registrar as well as the involved parties.

AUDITING CLASSES

A student auditing a class does not receive an academic letter grade and may, but is not required to, fulfill the course requirements. KCC does not permit the auditor of a course to obtain credit for the course except by taking the course later by regular enrollment and meeting all the requirements for credit. Students auditing classes must attend two-thirds of the class sessions before the registrar enters the course on the transcript as a successful audit. Students cannot convert credit registration to audit status at any time, nor can they change audit registration to credit registration. Financial aid will not pay for courses completed by auditing. Book costs are the responsibility of the student auditing the course.

ATTENDANCE POLICY

As there is a direct correlation between class attendance and academic success, KCC expects students to be faithful in attendance to their courses. Attendance is required for all class sessions unless specifically excused for a school activity or cancelled by the instructor or KCC due to specific situations.

It is understood, however, that students may occasionally need to miss class sessions due to school-sponsored events, hospitalization, or severe illness. When class sessions are to be missed for a school-sponsored event, students who make arrangements with the instructor in advance of the missed class session will be considered excused. Students who have missed class for other extenuating circumstances need to discuss the reasons for their absence with the instructor no later than the next time the class meets. Students with excused absences should be granted the opportunity to complete missed assignments in a timely manner.

In any case, students assume full responsibility for completing work assignments for missed class sessions. Instructors are neither required nor encouraged to allow make-up opportunities for students who have unexcused absences in a course. All requests for make-up work for unexcused absences must be reviewed by the Academic Dean and he will provide a decision to the faculty member regarding accepting make-up work from the student. Students who have an unexcused absence will not be permitted to make up devotional and discussion for days missed.

A student who wishes to withdraw from an individual course or all courses should obtain the appropriate form from the registrar.

Students may be administratively withdrawn from all courses for nonattendance, when a student ceases to attend all registered classes for a period of 14 consecutive calendar days, without prior approval, at any point within the regular semester. An early alert notification will be made to the student after the first week of non-attendance. If the student did attend during the week referenced in the alert, it is the student's responsibility to contact the instructor immediately to change the attendance record. Once a student has been absent two weeks, they will be administratively withdrawn with no further warning. Such a withdrawal follows established college course withdrawal deadlines and associated refund policies. Prior to the course withdrawal deadline, administratively withdrawn students receive a grade of "W" in each enrolled course. After the course withdrawal deadline, administratively withdrawn students receive a grade of "F" in each enrolled course.

If the student has not notified the registrar's office of intention to withdraw, the date of determination of student withdrawal will be the 14th calendar day after the student's last date of attendance. In the case of extraordinary circumstances (unforeseen, unexpected circumstances beyond a student's control), withdrawal decisions may be appealed to the CAO. Inconvenience, minor work schedule changes, a

change in childcare providers, transportation difficulties, etc. do not meet the definition of extraordinary circumstances.

All unpaid costs associated with attending the college remain the student's responsibility after such a withdrawal. In addition, all college property in a student's possession must be returned or the student may be charged for its full replacement value. Students living on-campus must arrange with the Office of Student Services to vacate the property within a reasonable time as determined by residence life staff and appropriately check out. To enroll in subsequent semesters, students who are administratively withdrawn from the college for non-attendance must apply for readmission.

TARDY POLICY

Students are tardy whenever they are not in their seats when class roll is taken. Being consistently late to class or chapel is unacceptable. In most cases, this is considered to be a behavioral and self-discipline problem rather than an academic problem. In the case of such behavior, the student will be referred to a student advisor or success coordinator for consultation and/or corrective action.

ONLINE ATTENDANCE POLICY

Attendance in online programs is determined by participation in weekly learning activities. A student is reported absent for a week if there is no participation in course discussions or submission of assignments during that week. Under emergency circumstances, a student may be allowed one absence in courses that are four weeks or more in length. No absences are allowed in courses that are three weeks or shorter in length. Students exceeding the allowed absences will be given a withdrawal grade regardless of the circumstances. The only exception is for military reserve personnel fulfilling annual training requirements or emergency deployment.

REPEAT COURSES

A student may repeat courses to remediate a grade of C or lower. In this case, the course with the lower grade will remain on the transcript and will be marked (R). The course with the higher grade will be used to compute the cumulative GPA. A student may repeat the same course multiple times; only the highest grade will be used to compute the GPA.

Some courses may be taken multiple times for credit toward a degree. Such courses are so marked in the course description section of the academic catalog.

ACADEMIC INTEGRITY POLICY

Biblical standards

Integrity is a part of the holiness lifestyle to which Christians are called to live. It has to do with honesty and morals in our character. As Christians, we are called to live holy lives and reflect a high standard of character in all behavior including our ethical behavior and choices. If we believe this to be true, then we cannot be involved in any form of academic dishonesty. Such dishonesty reflects one's willingness to compromise moral standards and character. If we are willing to compromise at this point, then we will find ourselves compromising at other points in our lives also. Academic dishonesty is not just a matter of not getting caught, but what we are saying about our character, Christian standards, and belief that holiness must affect every part of our lives.

Academic dishonesty is any type of dishonesty that occurs in relation to a formal academic exercise. It can include but is not limited to:

- **Plagiarism:** The adoption, reproduction, creation, and intentional representation of another person’s or artificial intelligence’s words, thoughts, or ideas as your own without due acknowledgment.
- **Fabrication:** The falsification of data, information, or citations of any formal academic exercise, including unauthorized copying or collaboration in the preparation of academic work.
- **Deception:** Providing false information to an instructor concerning a formal academic exercise, e.g., giving a false excuse for missing a deadline or falsely claiming to have submitted work.
- **Cheating:** Any attempt to obtain assistance in a formal academic exercise (like an examination) without due acknowledgment (including the use of cheat sheets and electronic devices).
- **Bribery or paid services:** Giving or receiving completed assignments or test answers in exchange for money.

Artificial Intelligence Use. Unless specifically required or approved through curricular requirement and by faculty for specific instances, use of artificial intelligence to create any part of a student’s work is prohibited. Use of artificial intelligence will be considered an act of academic dishonesty and will result in penalties according to KCC’s policy.

Code of Honor

All students are required to sign the following statement at the beginning of their first semester at Kansas Christian College. The statement will apply to the entirety of their academic career at KCC.

As a student at Kansas Christian College, I, _____, will intentionally endeavor to uphold values of the highest ethical and biblical standards. I will practice honesty in my work, encourage honesty in my peers, and take pride in knowing that integrity in my work, assignments, and athletic participation is worth more than grades. I will endeavor to carry these values beyond my time as a student at KCC, continuing to strive to build personal integrity into all that I do in every area of my life.

Procedure for Adjudicating Allegations of Academic Dishonesty

In cases involving the careless or inept handling of quoted material that falls short of the above definitions of dishonesty, faculty members may use their discretion in determining the best course of action. When, however, a faculty member suspects and has evidence to substantiate that the behavior of a student falls within one of the above definitions, it is that instructor’s responsibility to initiate the following procedure:

1. The instructor will notify the student in writing of the academic dishonesty charge and pending sanction within three business days of finding/observing the infraction.
2. The student may schedule a meeting with the instructor to discuss the charge, review the relevant materials, and the pending sanction.
3. If the instructor and student agree on the charge and pending sanction, the situation will be handled within the classroom.
4. For each instance of academic dishonesty, the instructor is required to complete an Academic Dishonesty Form (ADF) in Populi, regardless of the outcome. The form information is held on file in the system and connected to the student record. The filing of an ADF in Populi constitutes a charge against the student’s academic honesty record..
5. If the student does not accept the charge or pending sanction, the student may appeal the decision of the instructor to the Academic Dean. Based on the receipt of the appeal, the Academic Dean will share the appeal with Academic Affairs Committee at the next meeting for

their review. Should the Academic Affairs Committee have questions for the faculty and/or the student, the committee may request additional information and table the appeal until a response from the faculty and/or student is received.

6. If the sanction is suspension or dismissal from class and the student appeals to the Academic Dean, the student will be allowed to attend and participate in class until the appeal has been resolved.
7. When a student fails to schedule a conference with the instructor, fails to attend a scheduled conference, or when the apparent dishonesty is detected only near the end of the course, and the instructor makes a good-faith effort to contact the student but is unable to do so, the instructor may impose the sanction and submit an ADF without a conference.
8. All notes and discussions between the student and the faculty member will be kept confidential except as may be relevant in subsequent disciplinary or legal proceedings. Faculty members will not discuss specific charges of cheating, plagiarism, or any other violation in the classroom or with other students.
9. Based on the outcome of the review by the Academic Affairs Committee, the Academic Dean shall notify the student within ten days of the Academic Affairs Committee decision by email or certified mail and note the results of the appeal.
10. The Academic Affairs Committee may determine that the academic dishonesty rises to a level of significance warranting potential suspension, program dismissal, or expulsion.

Sanctions

Two classifications of sanctions may be imposed for violations of academic honesty policy.

1. **Academic.** Academic sanctions are those initiated by a faculty member and related to alleged dishonesty on a particular assignment. An instructor may assign any of the following academic sanctions to a student caught engaging in any form of academic dishonesty:
 - a. Oral reprimand
 - b. Reduced grade on the assignment in question
 - c. Assignment of a zero grade on the assignment in question
 - d. Requirement of resubmission of the assignment in question
 - e. Assignment of additional coursework
 - f. Referral to the CAO

All instances of academic dishonesty MUST be reported via the Academic Dishonesty Form (ADF) in Populi.

2. **Administrative.** Administrative sanctions are a function of the administration, and the CAO and are related to a student's overall course grade or status on campus. In cases referred to the CAO, academic sanctions may include any of those listed above as well as the following:
 - a. Reduction in course grade, including possible failure of the course. NOTE: A grade of "F" earned in the course as a result of sanctions for academic dishonesty is final and shall be placed on the transcript. If the student withdraws from the course, a "W" will not replace an "F" earned as a result of academic dishonesty.
 - b. Administrative withdrawal from the course.
 - c. Administrative suspension from KCC.

If a student is found guilty of academic dishonesty by the Academic Affairs Committee for a second time (regardless of whether the two charges are related to the same course), the student will immediately receive an "F" in the course in which the second act of academic dishonesty occurred.

If a student is found guilty of academic dishonesty by the Academic Affairs Committee for a third time, the student may be suspended or expelled from KCC and receive an “F” in all courses currently in progress. In such cases, there will be no financial reimbursement.

WITHDRAWAL

Change of Schedule

Students may make changes to their class schedules by completing a Schedule Change Request form and submitting it to the registrar. This form is effective only when signed by the affected instructors and the student’s advisor. It will be accepted only if submitted on or before the last allowable date published in the official school calendar. A schedule request fee is charged when adjustments are made to a student’s schedule.

Students who cease to attend class sessions but fail to withdraw officially from the course will be given the grade earned for their performance in the entire course. All missed work and absences will count toward the final grade.

Dropping or Adding Courses

Students may add or drop courses during the first ten class days of the semester. The ending date of the add/drop period is published in the official school calendar as the last date to add or drop classes. Courses added during this period may result in new charges that will affect the student’s financial obligations for the semester. Courses dropped during this period will be removed from the student’s academic record.

Withdrawing from Courses

From the add/drop date until the end of the ninth week of classes, a student may withdraw from a course and receive a grade of W. Although this does not affect the student’s GPA, it does affect the completion rate: the credit hours will count as attempted, but not as earned.

Withdrawal from School

Students who desire to withdraw from KCC may obtain a Withdrawal from All Classes form from the registrar. The completed form is to be signed by the student, director of financial aid, director of student accounts, director of admissions, and director of student services, and submitted to the registrar. Students who are expelled, who cease attending all classes, or who choose to leave after the beginning of the tenth week of the semester will be given failing grades in each of their courses. Students who leave due to circumstances that merit special consideration may petition for withdrawal from their courses; this petition is considered by the academic committee.

ADDING CLASSES FOR CREDIT

Check the calendar for the last day to enroll for credit for a class. Exceptions must be approved by the Academic Dean in consultation with the course instructor.

LATE REGISTRATION

All students are expected to be present and to complete registration within the time allotted for this purpose. A fee is charged to students who enroll after the regular registration period. No registrations for regular classes are accepted after the stated deadline, except with permission of the CAO.

INDEPENDENT STUDY POLICY

Students are permitted to take independent study by approval of the Academic Dean or Chief Academic Officer. Whenever possible, this will be coordinated with other students needing the same class and offered in a format as prescribed by the academic dean using established curriculum. It should be noted that the nature of some classes does not allow for independent study. Independent study tuition paid by students who later elect to take the class as a regular on-campus class will not apply toward the tuition for the on-campus class.

The student must obtain permission from the Academic Dean or Chief Academic Officer to enroll in the independent study course, complete the independent study request form, and obtain the necessary signatures in the order given on the form. This form must be completed in addition to the regular registration process.

All students enrolled in individualized courses, including faculty spouses and children, will be charged the going rate for independent studies, per semester hour, for the course. No discounts are given.

As soon as the registrar notifies the cooperating professor that the student has enrolled and that necessary financial arrangements have been made, the professor can release the course materials to the student.

The student will be responsible for completing the class requirements within the normal prescribed duration of the course following enrollment for the course. To that end, if the course is a five-week online or hybrid course that is permitted, students must complete the course within five weeks as required. For 16-week courses, students must complete within 16 weeks. Failure to complete the course within the allotted time period will result in failure of the course. Under extenuating, documented circumstances, students may request an incomplete for the course following KCC's policy for incompletes.

CREDIT FOR PRIOR LEARNING (CPL)

CPL Guidelines

1. Credit for Prior Learning (CPL) may be provisionally awarded upon petition but will not be entered on a student's transcript until the petitioning student has successfully completed 30 credit hours at KCC with a minimum GPA of 2.5. The student may not be on academic probation.
2. Students applying for CPL must be in good financial standing with KCC. All applicable CPL fees must be paid before credits are added to the transcript.
3. Students must be enrolled at KCC at the time a petition for CPL is made.
4. CPL will only be applied for courses taught at KCC. Exceptions may be granted in unusual situations by the CAO.
5. A maximum of 15 credit hours toward an associate's degree or 30 credit hours toward a baccalaureate degree may be earned through CPL. CPL cannot be used to meet the residency requirements of a degree program.
6. Students may not earn CPL for courses for which they have already received credit, either through transfer or through passing a KCC course.
7. No more than six of the final thirty hours of a program may be obtained via CPL, and then only by petition.

8. CPL will not be granted for capstone courses (e.g., Spiritual Formation III). In other courses which require a major paper, submission of the paper will be required before the awarding of CPL for that course.
9. CPL awarded by any institution of higher education accredited by agencies recognized by the U.S. Department of Education will be evaluated in the same manner as regularly graded coursework from that institution. The credit awarded will be adjusted according to the CPL policies of KCC.
10. CPL credits are posted on the KCC transcript as credit, but they are not graded and do not impact the student's grade point average (GPA).

CPL by Exam

Credit can be awarded for selected courses based on achieving certain scores on CLEP exams, AP exams, and IB exams. Specific requirements may be obtained from the academic office.

CPL for US Military Courses

Some ACE-recommended credit may also be awarded for military courses. KCC will accept CLEP/DSSTs scores from an official military transcript.

CPL Based on Portfolio Review

Students wishing to gain CPL may submit portfolios evidencing learning gained through experience. Such students must enroll in a portfolio design course, which will instruct them in how to collect and organize materials to evidence learning and fulfillment of course objectives.

Student Costs

1. Fees for tests administered by third-party organizations (e.g. CLEP) will be collected by the testing organization. KCC will assess a transcription fee for each course accepted, regardless of the number of credits.
2. KCC will assess a transcription fee for each course accepted when evaluating a military transcript for credit.
3. The cost for Portfolio Review is \$125 per credit hour attempted.

TRANSFER OF CREDIT POLICY

It is the policy of Kansas Christian College to accept undergraduate courses from accredited institutions, subject to the considerations listed below. Transfer credit from non-accredited institutions is subject to evaluation by the registrar. Acceptance of all undergraduate classes, whether or not they were used toward another earned degree, is based on the following considerations:

1. The academic standing of the institution where earned, based upon the following guidelines:
 - a. Credit from colleges is normally assumed to have acceptable qualifications for transferability if the college is accredited by a USDE- or CHEA-recognized accrediting agency.
 - b. Credit from colleges that are candidates for USDE- or CHEA-recognized accreditation is assumed to come from schools with acceptable qualifications.
 - c. Credit from colleges that lack membership with USDE- or CHEA-recognized accrediting agencies may lack that status for reasons unrelated to questions of quality. Such institutions, however, cannot provide a reliable, third-party assurance that they meet or exceed minimum standards. In such cases, special steps are taken to determine whether some or all of the requested credits can be transferred.

- d. College-level work completed at non-US colleges may be transferable to KCC. International student applicants who have attended schools and universities beyond secondary school level must send official transcripts (or certified true copies) for all academic work. Records not in English must be accompanied by a certified English translation of each document. The school reserves the right to require that the student procure an evaluation of the transcript from the transcript service recommended by the KCC Admissions Office.
2. The grade for the course is a C- or better.
3. Comparability of the nature, content, and level of transfer credit of the course to be transferred (determined by review of the course description, syllabus, textbooks used, etc., and contact with knowledgeable and experienced faculty and staff at the sending and/or receiving institutions).
4. Relevance of the course to the student's KCC degree program is determined by syllabi, textbooks, and official course descriptions. Courses to be transferred must fit the curriculum of the program in which the student is enrolled.
5. Course rigor, including amount of "seat time" and homework – derived from the catalog, course syllabi, Internet research, and/or phone calls to the sending institution.

TRANSCRIPTS

An official transcript is not normally issued to a student or former student but is sent directly to another institution, or to an official of an organization, at the student's request. Requests for transcripts (including student copies) should be submitted through the KCC website to Parchment Exchange. Information is available on the KCC site under the "Academics" drop-down menu. A transcript cannot be issued to or for a student indebted to this college until payment has been made.

MINISTRY FORMATION (STUDENT MINISTRY)

All KCC students, faculty, and staff are expected to be involved in ministry and service to the broader community. While we all are encouraged to pursue our own path of ministry, KCC also has a weekly small group ministry formation program. Students have a ministry formation curriculum led by KCC faculty members and coaches. Attendance is mandatory for all students that are part of the FlexEd program and highly encouraged for as many faculty and staff as are able to be involved.

KCC programs are principle-approach, Bible college courses with ministry formation at the core, preparing students to be ministers regardless of their field. Every course in KCC's curriculum meets the ABHE standard for at least an interdisciplinary Bible course. Every course involves Biblical study as part of the course content preparing students to "think Biblically" about their focus of study. In doing so, KCC provides its students ministry formation across the board.

In an effort to unify the institution regarding the construct of ministry formation, the following philosophy statement guides KCC regarding its ministry formation:

While a Christian liberal arts education provides avenues of focus outside of ministry, focus on application of Biblical ministry and formation of the abilities to accomplish ministry is the unique identifier of the Bible College. Regardless of the program of study, the end goal is to prepare the student for ministry within the field of study. As a result, our definition of ministry must be wider than traditional ministry roles such as pulpit preaching, missions, worship, etc. within the church. Instead, Kansas Christian College embraces the fact that ministry takes place both inside the church building and outside the building in the community. Therefore, we, as educators, will

choose to develop programs that form the ministry skills needed throughout the church, around the community, and throughout the world to affect the world with the message of Jesus Christ. Each program that we offer will have a focus on preparing our students for ministry, not just the “traditional ministry programs” normally pursued by those ministers who work inside the church. As ministers of Jesus Christ, we stand in His place as a physical representation of His love for them. Our ministry formation practices will help our students to live this ideal through their field of study at Kansas Christian College.

SEMESTER HONOR ROLLS

All students carrying twelve hours or more who achieve the following semester GPAs will receive special recognition for their academic achievement as follows:

President’s Honor Roll	4.0
Dean’s Honor Roll	3.5-3.99
College Merit Honor Roll	3.0-3.49

No student with an “I” (incomplete) will be placed on the honor roll lists.

RESIDENCY REQUIREMENTS

A minimum of thirty semester hours in residence (enrolled at KCC) with a minimum GPA of 2.0 must be completed before a student may graduate from KCC. Eight of these thirty semester hours must be in the field in which the student is majoring. Not more than six of the final thirty hours may be transferred from another school, and then only by petition. An exception may be made to facilitate an academic partnership agreement with another institution which has been approved by our administration.

DOUBLE MAJORS

Students may earn a double major at the bachelor level if they satisfy the requirements of both majors.

GRADUATION WITH HONORS

Eligibility for graduation with honors is based on both the cumulative GPA and the GPA for the last sixty hours.

Students receiving a bachelor’s degree from this college with a GPA of 3.70-3.79 will have conferred upon them the distinction of graduating *Cum Laude*. Students attaining a GPA of 3.80-3.89 will have conferred upon them the distinction of graduating *Magna Cum Laude*, and those with a GPA of 3.90 and above will be honored as graduating *Summa Cum Laude*.

An announcement of these honors will be made during the commencement exercises.

GRADUATION CLEARANCE

Each candidate for a degree is responsible for meeting all requirements for graduation. The office of the registrar reviews all other requirements, including semester-hour totals, residency, and GPA.

1. All degree requirements for specific programs as listed in this catalog must be met.
2. Students must maintain an overall GPA of 2.0 or higher.
3. Students must maintain a GPA of at least 2.5 in their major area. (Major area for this purpose is the Professional Field requirements plus the Major Emphasis core area, e.g., *Pastoral Emphasis*.)

4. Students must successfully participate in and complete any required paperwork for the scheduled Ministry Formation activities each semester of enrollment.
5. All financial obligations must be satisfied in the business office.
6. Clearance must be given to each prospective graduate by the administrative offices, including the director of student services, and the registrar.
7. Any “incompletes” in courses to be counted toward graduation requirements must be cleared by April 15.
8. Applications for degree candidacy will be evaluated by academic affairs but will also be reviewed by the Board of Trustees.
9. Students who have six or fewer credit hours remaining in their degree program and who are enrolled in the courses necessary for completion of that program may participate in the commencement ceremony.

STUDENT OF THE YEAR

An outstanding college student is normally chosen as the Student of the Year and announced at the close of school. This student, chosen by the college student body and college faculty, must have at least a 3.0 cumulative GPA; must be outstanding in achievements of offices held in classes, clubs, or athletics; must be outstanding in Christian character as manifested in school and social life; must be taking a minimum of twelve college hours or enough to complete degree requirements; and must be enrolled for at least the student’s second semester at KCC. No student may be elected two years in a row but may be re-elected after at least a one-year lapse.

ESTHER ADAMS AWARD

This award is presented to a ministerial student or missions major who meets the following criteria: The student must have completed a minimum of seventy-five hours before the semester in which chosen, must be carrying a minimum of twelve hours in the semester of nomination or enough to complete degree requirements, must have a cumulative GPA of 2.5 or above, and must indicate a comprehensive understanding and application of traits and abilities necessary for full-time Christian work. Students are not eligible during their first semester of work at KCC. No student may be elected twice. The recipient of the Esther Adams Award is chosen by the college faculty.

ACADEMIC PROGRESS

It is of utmost importance for all students to be making academic progress while taking classes at KCC. Students are encouraged to consult their teachers, and/or academic advisors, and/or the student advocate at the earliest sign of difficulty. The faculty and staff are committed to assisting students in being academically successful at KCC.

Evaluating Academic Progress

For purposes of determining academic probation, only courses transferred to KCC, courses taken at KCC that apply toward a student’s degree program, and for-credit remedial courses taken at KCC to prepare the student for said degree program, will be taken into account.

Determining Academic Progress

Academic progress is based on Overall Grade Point Average (GPA) and percentage of hours completed.

GPA

Students who fail to meet the cumulative GPA standards in the chart below will be placed on academic probation. Students should be aware that, to raise a deficient cumulative GPA, the current semester GPA will likely need to be higher than that given on the chart.

Successfully Completed Hours	Minimum GPA
1-12	1.5
13-24	1.6
25-36	1.7
37-48	1.8
49-59	1.9
60 or more	2.0

If students retake a course for which they have received a failing grade, both attempts at the class count toward the total hours attempted, whereas, only the last grade is included when computing the GPA. Self-paced courses which are not completed by the end of the second term following enrollment will record a grade of "F" at the close of the second term. For this purpose, the fall semester, spring semester, and summer break will each be considered one term. Grade point average will be calculated by dividing the number of quality points awarded by the number of credit hours attempted (including failures but not withdrawals).

Percentage of Hours Completed

Student must complete 67% of all hours attempted including transfer hours.

Academic Probation

Students who are deficient in either cumulative grade point average or percentage of hours completed will be placed on Academic Probation. Any student on Academic Probation will be restricted to a twelve-credit-hour course load during the probationary period. Additionally, the student is required to meet with the Student Advocate who may develop an academic plan. During the probationary period students may also be required to meet with the Student Advocate.

Any student who has been on Academic Probation for two consecutive semesters and has not successfully attained the minimum cumulative grade point average may be declared scholastically ineligible and the permanent record will reflect this declaration.

If the student is declared ineligible to re-enroll for the following semester, they may appeal the declaration with the CAO.

If the student successfully appeals the ineligibility, they may continue to register for 12 credit hours and may be required to meet with the Student Advocate.

If no appeal is granted, the student may apply for readmission after one semester of scholastic ineligibility. The application for readmission will be considered by the administrative committee, who will decide whether to approve the application and under what conditions.

Good academic standing regarding intercollegiate athletic participation requires the freshman student to meet the academic regulations established by the athletic association during the season of participation. A freshman student who is on academic probation, but otherwise meets athletic association eligibility requirements will remain eligible for competition.

Satisfactory Academic Progress Regarding Financial Aid

To participate in the Title IV Student Aid Program, KCC must take steps to fulfill federal requirements to implement and make public the standards for satisfactory academic progress that students must meet to be eligible to receive Title IV financial assistance. These standards are for financial aid purposes only and do not replace or override the academic policies of KCC.

Satisfactory Academic Progress (SAP) is based on three component: Completion rate, Timeframe and Grade Point Average (GPA).

Completion Rate

A student must complete 67% of all hours attempted (including transfer hours) for financial aid eligibility. The completion rate is determined by dividing the **overall** credit hours earned by the overall credit hours attempted. The calculation counts only credits that count toward the student's current program as both attempted and earned hours. Attempted hours will include grades of F, NC, I, and W. These grades, however, will NOT count as earned hours.

- Repeating courses will add to the total number of attempted hours but will only count once as earned hours.

Students may receive financial aid for repeated courses only one time. A third attempt of a required course will require payment prior to registering for the class.

Timeframe

Students can only receive financial aid for a maximum of 1.5 times the total credit hours required for their degree program, as measured in credit hours. For any major that requires 120 credit hours for graduation, this equals a maximum of 180 attempted hours. Any hours attempted, but not completed, will count.

- The calculation includes transfer credit hours that transfer into the current degree program in the maximum (e.g., 180, for a 120-hour program).
- Repeated courses, failed courses, and withdrawals will also count towards the maximum.
- An appeal must be submitted by any student who has exceeded the maximum time frame allowed due to transfer hours or change of major. The financial aid office will review the credits attempted that apply towards the student's program of study to determine future financial aid eligibility. An academic plan signed by the CAO will be required.
- If a student changes majors or degrees, the financial aid office will re-evaluate the satisfactory academic progress time frame for financial aid eligibility on a case-by-case basis through the appeal process.

SAP Review for Financial Aid

After each semester/payment period, Student Financial Services will review the completion rate, timeframe, and GPA for each student enrolled in that semester/payment period. Depending on the student's status relative to these factors, the student's progress for financial aid purposes will be determined as follows:

1. **Satisfactory Progress** applies to students who passed the appropriate number of earned hours to attempted hours, who have not exceeded the maximum total attempted hours allowed for their program, and whose GPA meets the SAP requirements listed above.

2. **Financial Aid Warning** applies to any students who fail to meet the requirements for completion, timeframe, and GPA for the semester. A warning letter will be sent at the end of the semester to students to indicate why they are receiving a warning and what must be done within the next semester to be back in compliance with SAP requirements. If the students fail to meet these requirements, their federal, state, and institutional financial aid will be suspended for future semesters unless they appeal to the Academic Dean, and the college grants the appeal.

Students must bring their hours and GPA back into good standing within one semester. If they are not successful, they may submit an appeal to the Academic Dean. If the appeal is granted, they may be required to complete an Academic Plan with the help of the Student Advocate to regain financial aid eligibility.

3. **Financial Aid Probation** applies only to a student who has failed to meet the SAP requirements listed above and has had an appeal approved by the Academic Dean.

If students have not met the SAP requirements or have not followed the Academic Plan by the end of the probationary semester, they should work with the Student Advocate, Financial Advisor or Academic Dean advocate to understand what options exist to regain eligibility.

4. **Unsatisfactory Progress** applies to students who have not met the requirements for completion rate, attempted hours, and GPA after their warning period, and are neither on financial aid probation nor have an approved appeal. These students are not eligible for federal, state, or institutional financial aid until they meet the requirements in each of these three areas.
5. **Academic Plan** applies to students who have submitted an academic plan as part of an SAP appeal and have completed the goals for that semester as outlined by the plan. The student continues to remain eligible for federal and state financial aid but does not meet the definition of an SAP-eligible student.

SAP Appeal Process

1. Students who wish to appeal their unsatisfactory academic progress determination must submit a SAP Appeal Form to the Academic Dean. SAP appeals are reviewed based on extenuating circumstances, such as serious injury or illness involving the student, death of an immediate family member, or other circumstances beyond the student's control that prevented the student from achieving satisfactory progress. Each student's appeal is reviewed on an individual basis.
2. The Academic Dean will review the appeal and determine whether the financial aid termination is justified. The student will be advised in writing and by KCC e-mail of the decision and may be asked to meet with a student financial advisor to plan for future semesters/payment periods.

The Academic Dean's decision is final.

Students are encouraged to review these standards and be aware of their academic progress. The college recognizes that a wide variety of circumstances and conditions regarding these standards (e.g. changing majors, changing career objectives, other personal reasons, etc.) may require the discretionary judgment of the Academic Dean and the Student Financial Aid Office. Students with questions or concerns regarding their satisfactory academic progress as it relates to their financial assistance should contact the financial aid office in the Student Services Building.

Important Note: While Financial Aid Probation is related to Academic Probation, the two are not the same. Academic Probation refers to academic eligibility (approval to continue enrollment), while Financial Aid Probation pertains to continuing to be eligible for financial aid. Therefore, students should read both sections carefully.

Graduate Degrees

Kansas Christian College has been approved by its accreditor to offer two Master's degrees. These programs are offered in six-week courses. The two programs available currently are the Master of Business Administration and the Master of Christian Ministry.

MASTER OF BUSINESS ADMINISTRATION DEGREE

KCC offers two forms of the MBA: Executive MBA and MBA with concentration. The Executive MBA is a 30-hour program and the MBA with concentration is 36 hours with concentrations in Management, Finance, Healthcare Administration, Organizational Leadership, and Public Administration. For the 2023-2024 school year, KCC will start with the Executive MBA only program.

Program Objectives

Upon completion of this program, a student should be able to:

1. Engage and learn generally recognized principles, dynamics, and best practices in the core disciplines of business, economics, and organizational development, especially as applied within a cross-cultural and international context.
2. Formulate a personal philosophy of effective and ethical business and leadership practices and strategies, well-grounded in a biblically-based Christian worldview.
3. Demonstrate the ability to effectively and ethically lead people, manage systems and operations, and steward resources at various levels within for-profit and not-for-profit organizations for the overall benefit of the organizations' owners, donors, and stakeholders.

In addition to the core program objectives, the concentrations have the following objectives:

- **Management:** Prepare strategies for organizational management.
- **Finance:** Analyze the financial needs of the field for application within the setting.
- **Healthcare Administration:** Devise strategies for leading healthcare organizations.
- **Organizational Leadership:** Analyze and apply principles of effective organizational leadership and personal leadership development.
- **Public Administration:** Lead and manage public-sector organizations using recognized principles, dynamics, and best practices of effective public administration.
